WELCOME TO HAMILTON ISLAND RACE WEEK 2025

FROM NICK DOWLING

It's a pleasure and a privilege to welcome you to Australia's Tropical Island, and to this 40th anniversary edition of Hamilton Island Race Week.

Race Week 2025 marks a wonderful milestone for everyone who has participated over the decades, and for those joining us this year for the first time.

What started in 1984 with just 93 boats and a handful of mates chasing trade winds through the Whitsundays has grown into Australia's largest offshore sailing regatta, attracting competitors and visitors from across the country and around the world. While the size of the fleet has grown, the spirit of Race Week remains the same: serious competition on the water, stories shared over drinks and dinners, and legends carried over from one Race Week to the next.

Race Week is also woven into Hamilton Island's story; it was during Race Week in 2003 that the late Bob Oatley first fell in love with the place - a moment that helped shape its future.

More than 160 boats will take to the water this year - from mum and dad trailables to high-performance yachts - joined for the first time by the Australian and New Zealand 49er and 49erFX elite teams for a glimpse of what's to come at the Brisbane 2032 Olympic and Paralympic Games: a true showcase of sailing at every level.

Whether you're lining up for your first start or watching the racing unfold from the Yacht Club, I hope the week ahead is full of great sailing, great company, and great memories.

As always, please keep a safe distance from migrating humpback whales - for their safety and yours.

Thank you to our sponsors and partners - our presenting partner American Express - and to Balter, Casamigos, Dufour, IMPULSIVE

Superyacht, MECCA COSMETICA, Nautilus Marine Insurance, Panerai, Piper-Heidsieck, REVO, Robert Oatley Wines, Sail Racing, Tanqueray, AV Partners and Tourism and Events Queensland. Your support continues to elevate Race Week and ensure it remains a standout experience for the next generation of sailors and guests.

A special thanks also to Eco Barge Clean Seas, whose support is instrumental in our efforts to care for the heart of the Reef. Since last year, we've removed more than half a tonne of marine debris from the Reef - a small but meaningful step in preserving this extraordinary environment. Please play your part this Race Week to help keep Australia's natural wonder pristine and thriving.

As we celebrate four decades of Race Week and look to the future, our whole team is incredibly proud to continue the legacy and excited for what's ahead... a little island really can do wonders.

Nick Dowling
CEO, Hamilton Island

A family of three is shown in a scenic outdoor setting. A woman on the left, wearing a dark green lace-trimmed top and a pearl earring, is smiling and pouring a liquid from a glass pitcher into a bowl of fresh green salad. In the center, a young boy in a light blue t-shirt is looking down at the food. On the right, a woman in a white lace-trimmed top with a tie-front detail is looking down at the table. The table is set with various dishes, including a bowl of salad, a plate of fried shrimp, and other items. The background features a large body of blue water, a small island with trees, and distant mountains under a clear sky.

Hamilton Island, in partnership with the not-for-profit charity Skin Check Champions, are proud to offer a free skin check service at Race Week. In its tenth year, this life saving initiative has become an integral part of the event and we are delighted to welcome back the team of professionals in 2025.

According to The Cancer Council of Australia, 80% of all newly diagnosed cancers in Australia are skin cancers. The majority of skin cancers are caused by exposure to the sun and Australia has one of the highest incidences of skin cancer in the world. Thankfully, over 98% of cases can be successfully treated if detected early, which is why the service provided by Skin Check Champions is so important.

So, remember to be sun safe out there! Apply and reapply your sunscreen throughout the day and don't forget to wear a hat that protects your face, head, neck and ears.
